MESSAGE FROM PRESIDENT JOSH VICKERMAN

Let me share why Farmers Union Agency is such a great place to be. We've been around since 1947, starting with a simple goal: to meet the insurance needs of Minnesota farmers. Over the past 75+ years, we've expanded far beyond that, reaching out to serve rural communities, urban markets, and the businesses that support them. Today, we have over 35 dedicated agents working out of 38 offices across Minnesota. Our agents aren't just professionals – they're active participants in local organizations, events, and volunteer efforts because they genuinely care about the people they serve.

When you join FUA, you're not just taking a job but becoming part of a legacy. We've built trust with thousands of families, farms, and businesses, managing over \$60 million in insurance premiums. That's a testament to the quality of service we provide and the dedication of our team. So, if you're looking for a place to grow, make a difference, and be part of something bigger, I'd say FUA is the perfect fit. We'd love to have you on board.
